

Claremont Summer School

A learning experience
of a lifetime...

Claremont Summer School provides a rich cultural, educational and social learning experience, in the heart of the English countryside.

It is our aim that everyone who attends will return home having experienced outstanding English language teaching, visited exciting places in the UK and made friends with fellow students from around the world

Summer School students learn more about themselves and grow in confidence from exploring their interests and pursuing new ideas – all while having lots of fun!
